**INTRODUCTION AND OVERVIEW**

Clinton County Treatment Court was created as an alternative to incarceration to address the specific treatment needs of the substance abusing individuals involved in the Clinton County criminal justice system.

A Treatment Court is “a specially designed court calendar or docket, the purposes of which are to achieve a reduction in recidivism and substance abuse among nonviolent substance abusing offenders and to increase the offender’s likelihood of successful habilitation through early, continuous, and intense judicially supervised treatment, mandatory periodic drug testing, community supervision, and use of appropriate sanctions and other habilitation services” (Bureau of Justice Assistance, 2005, p. 3).

The Clinton County Treatment Court closely supervises a participant for a minimum of three (3) years to increase the likelihood of success. Typically a participant has a minimum of one (1) year of active participation in Treatment Court followed by one (1) year of aftercare programming.

Clinton County Treatment Court adheres to the ten (10) Key Components as defined by NADCP. Although the language specifies only drug courts, those ten (10) 10 Key components are equally applicable and applied to all Clinton County Treatment Court Programs.

The components are:

**Key Component #1:** Drug courts integrate alcohol and other drug treatment services with justice system case processing.

**Key Component #2:** Using a non-adversarial approach, prosecution and defense counsel promote public safety while protecting participants’ due process rights.

**Key Component #3:** Eligible participants are identified early and promptly placed in the drug court program.

**Key Component #4:** Drug courts provide access to a continuum of alcohol, drug, and other related treatment and rehabilitation services.

**Key Component #5:** Abstinence is monitored by frequent alcohol and other drug testing.

**Key Component #6:** A coordinated strategy governs drug court responses to participants’ compliance.

**Key Component #7:** Ongoing judicial interaction with each drug court participant is essential.

**Key Component #8:** Monitoring and evaluation measure the achievement of program goals and gauge effectiveness.

**Key Component #9:** Continuing interdisciplinary education promotes effective drug court planning, implementation, and operations.

**Key Component #10:** Forging partnerships among drug courts, public agencies, and community-based organizations generates local support and enhances drug court program effectiveness.

## MISSION STATEMENT

The mission of the Clinton County Treatment Court of the 25th Judicial District of Pennsylvania is to reduce recidivism by facilitating treatment and rehabilitation, and to provide increased supervision to the criminal substance abuser, as opposed to simply warehousing them. Our goal is to return individuals to the community who are clean and sober, with an improved quality of life, and who are better equipped to maintain their sobriety, thereby improving the lives of all of us.

## TARGET POPULATION

The Clinton County Treatment Court focuses on the admission of High Risk/ High Need Offenders. High Risk offenders pose a substantial risk for reoffending or failing to complete a less intensive disposition. High Need offenders are offenders with substance dependence or major psychiatric disorders, brain injury, or a lack of basic employment or daily living skills.

## PROGRAM GOALS AND OBJECTIVES

The Clinton County Treatment Court is a highly structured program that combines drug and alcohol rehabilitation and supportive services through court supervision. Non-violent offenders with substance abuse issues can receive the help they need to overcome their addiction while under the strict supervision of the Treatment Court Judge. Treatment Court is unique because it represents a much closer working union between treatment and the criminal justice system than what is traditionally seen in the criminal courts. The end result is a greater likelihood that offenders will remain drug-free and become productive members of society, while avoiding further contacts with the criminal justice system. It is the goal of the program to graduate individuals who are clean and sober, have more job and education opportunities, have better relationships with their families and friends, and have a positive outlook on life.

**Goal #1:** Provide participants with the treatment that they need.

**Objective:** Within one (1) week of a participant entering into the Treatment Court Program, a referral will be made for substance use disorder services.

**Goal #2:** To increase employment rates for offenders on the Treatment Court Program.

**Objective:** To have 90% of our participants employed full-time by Phase 3. Participants are given resources within the community. Probation Officers will utilize local agencies such as OVR, Career Link and contacts established with local employers in order to aid in this goal.

**Goal #3:** Generate a tracking system that will allow the Treatment Court to observe success rates in relationship to relapse and recidivism within a six- and twelve-month time frame (during the Aftercare Phase).

**Objective:** To have a minimum of 50% of our participants remain successful in their recovery process and have no negative contact with law enforcement after completion of Treatment Court.

## ELIGIBILITY

The Clinton County Treatment Court is a post plea program. The Treatment Court screens and assesses misdemeanor and felony offenders, provided the crimes are drug-related and/or addiction driven. The offenders must agree to placement in Treatment Court and be residents of Clinton County.

Additionally, any individual with a past pattern of violent behavior are excluded. An individual is also deemed ineligible, if the current offense involves serious injury to another person and/or if a minor was present in the vehicle at the time of the current offense.

Applicants should be eligible under the County Intermediate Punishment Act (See 42 Pa.C.S.A. 9801 et. seg.) but exceptions will be made on a case by case basis. An individual is ineligible if they have been convicted or adjudicated delinquent of a crime requiring registration under Subchapter H of Chapter 97 (relating to registration of sexual offenders). Currently, offenders are statutorily ineligible if they have a current or prior conviction within the past ten (10) years for any of the following offenses:

### \* INELIGIBLE OFFENSES

- 18 Pa.C.S. § 2502 (relating to murder)
- 18 Pa.C.S. § 2503 (relating to voluntary manslaughter)
- 18 Pa.C.S. § 2702 (relating to aggravated assault)
- 18 Pa.C.S. § 2703 (relating to assault by prisoner)
- 18 Pa.C.S. § 2704 (relating to assault by life prisoner)
- 18 Pa.C.S. § 2901(a) (relating to kidnapping)
- 18 Pa.C.S. § 3122.1(a)(1) (relating to statutory sexual assault)
- 18 Pa.C.S. § 3301 (relating to arson and related offenses)
- 18 Pa.C.S. § 3502 (relating to burglary when graded as a felony of the first degree)
- 18 Pa.C.S. § 3701 (relating to robbery)
- 18 Pa.C.S. § 3923 (relating to theft by extortion)
- 18 Pa.C.S. § 4302(a) (relating to incest)
- 18 Pa.C.S. § 5121 (relating to escape)

**\* Exceptions will be made for cases where the offender has a significant history of substance abuse, is in need of treatment as recommended by West Branch Drug & Alcohol Abuse Commission and otherwise qualifies for the Treatment Court Program.**

**\* The Treatment Court Team may also find other circumstances concerning the case or the offender which disqualify the offender from participation in the Treatment Court Program. Eligibility is not an entitlement to this Program. The Court may exercise its discretion to disapprove any offender who otherwise is eligible.**

## APPLICATION AND APPROVAL PROCESS

Eligible offenders must submit a Treatment Court Application to the Treatment Court Judge who will document the date received on the top right hand corner of the application. The application will then be sent to the District Attorney's Office who will complete a cursory review of qualifying/disqualifying factors and will recommend or not recommend the application for review. The Victim/Witness Coordinator shall also make a recommendation on the application. The application will then be forwarded to the Adult Probation Office for further processing even if the application was not recommended. Thereafter, the applicant will be contacted and scheduled for an appointment to meet with a Treatment Court Probation Officer of the Adult Probation Department. Application information and Treatment Court Program eligibility criteria will be reviewed. If the applicant meets the criteria for Treatment Court, they will be referred for evaluation by West Branch Drug and Alcohol Abuse Commission which is the single county authority for Clinton County.

Once the evaluation is complete, the application will be returned to the Judge's Office and scheduled for staffing by the Treatment Court Committee. The Treatment Court Judge will make the final decision if applicant is accepted or denied. If the application is denied, the Judge's Office will notify the applicant. Counsel for the offender may request reconsideration and may request to be present to speak with the Committee. If approved, the applicant will receive notice of the hearing date and be advised to contact the Adult Probation Office to review conditions of the program. If approved, he or she will report to the next scheduled Treatment Court session for guilty plea and placement on the Treatment Court Program.

DUI Offenders will be sentenced to a five (5) year maximum Probation with Restrictive Conditions. The DUI Participant will be eligible for electronic monitoring for all or part of the mandatory minimum incarceration portion of the sentence. Other offenders in Treatment Court will be sentenced to at least three (3) years' Probation with Restrictive Conditions.

At a minimum, the first year will require active participation in the Treatment Court Program followed by one (1) year of aftercare. Upon completion of Aftercare, participants may have the ability to step down to general supervision for six (6) months, then be released with early termination per the decision of the Judge. However, if the participant's overall supervision max date comes first, the need for this step-down process would not be necessary. Upon sentencing and/or completion of incarceration time, the participant enters Phase I of the Treatment Court Program and will be placed on GPS or electronic monitoring, a drug patch and/or a SCRAM unit. The Adult Probation Office will advise the participant of treatment requirements.

## **ETHICS AND CONFIDENTIALITY STATEMENT**

Treatment Court proceedings shall be kept confidential. The Treatment Court Team agrees that a positive drug test or open court admission of drug possession or use will not result in the filing of additional drug charges based on that admission. As with meetings, participants are encouraged not to break anonymity nor disclose any information obtained during treatment court proceedings.

Treatment providers are bound by ethical and confidentiality standards set by HIPAA, and state and federal confidentiality rules (42 CFR, part 2; 71 P.S. Section 1690.108; and 42 U.S.C. Section 290dd-2). Participants sign informed consent forms permitting disclosure of treatment information concerning attendance at, general participation in treatment and relapse information. Specific matters discussed during treatment sessions shall not be disclosed.

## **SUSTAINABILITY/DATA COLLECTION**

## **PROGRESS HEARINGS**

During Phases I and II, participants will be required to attend progress hearings bi-weekly or as instructed. The Judge will inquire of the participant his or her progress. Treatment professionals are also encouraged to attend the sessions. The Treatment Court Judge is responsible for encouraging, sanctioning, and changing any conditions of the program. The participant will be given notice of the next court appearance by the Judicial Secretary of the Treatment Court Judge.

Upon successful completion of Phase I, the participant will be presented a certificate and be moved to Phase II. During Phase II, the participant will continue to report to court bi-weekly. After successfully completing Phase II, the participant will enter Phase III and report to court monthly. When the client completes Phase III, he or she will be eligible to graduate the Treatment Court Program.

Court sessions are held bi-weekly at the Clinton County Courthouse or as determined by the Treatment Court Judge. These meetings are currently held on Mondays at 2:30 p.m. Please contact the Office of the current treatment court judge for the yearly schedule. It is strongly discouraged to have children attend progress hearings.

The Clinton County Treatment Court Committee will meet quarterly to review the program and policy to ensure any changes or updates are reviewed by the team.

## TREATMENT COURT CASE MANAGEMENT

The West Branch Drug & Alcohol Abuse Commission (“WBDA”) has designated a staff member to Treatment Court.

WBDA is responsible for case management. Case management services may include, but are not limited to:

- Assessment
- Referral to the appropriate level of care
- Care Coordination
- Case Management

Funding for services will be determined by the WBDA staff. This can include: private insurance, managed care, self-pay (treatment fee schedules are commensurate with an individual's ability to pay), single county authority (SCA) funds, or any available grant funding.

### CASE MANAGEMENT

Case management will coincide with the three (3) phases of supervision conducted by the Clinton County Adult Probation Office.

- PHASE I  
This phase will include assessment and referral to the appropriate level of care. WBDAAC staff will meet with the participant as necessary and maintain weekly contact with the treatment provider.
- PHASE II  
The participant will continue with the appropriate level of care. WBDAAC staff will meet with the participant as necessary and maintain weekly contact with the treatment provider.
- PHASE III  
The participant will continue with the appropriate level of care with focus on transitioning and reintegrating the participant back into the community. WBDAAC staff will meet with the participant as necessary and maintain weekly contact with the treatment provider.

### ASSESSMENT

The WBDAAC staff will assess and evaluate candidates for the Drug Treatment Court Program. The assessment will address the following: medical, employment, education, legal, family, social, drug and alcohol, psychiatric and military issues. WBDAAC utilizes an approved Department of Drug & Alcohol assessment tool to evaluate clients in the above core areas. Clients will also be assessed as to whether or not they could benefit from care coordination and case management services.

To determine the appropriate level of care, the ASAM (American Society of Addiction Medicine) will be used. The ASAM is a set of guidelines designed to provide drug and alcohol professionals with a foundation for determining the most appropriate treatment setting for a client.

## **ASSESSMENT (Continued)**

*The ASAM Criteria* is a collection of objective guidelines that give clinicians a way to standardize treatment planning and where patients are placed in treatment, as well as how to provide continuing, integrated care and ongoing service planning. The criteria were developed by the American Society of Addiction Medicine (**ASAM**), and presented in a book written by a group of renowned doctors and professionals, working in a variety of mental health and addiction treatment fields. *The ASAM Criteria* has become the most widely used set of criteria in the United States for the treatment of substance-use issues, and it has been continually revised and updated over the years with the newest science in the field of addiction.

## **CASE COORDINATION/INTENSIVE CASE MANAGEMENT**

The participant will have input into the development of the service plan. The service plan will address the issues that were identified during the evaluation and assessment process. Service plans will address the following:

- Housing
- Child Care
- Education/Vocational
- Employment
- Basic Needs
- Transportation
- Mental Health
- Physical Health
- Family/Social
- Life Skills

## **TREATMENT COURT MOCK MEETINGS**

Treatment Court mock meetings are closed to treatment court participants. These meetings count towards the self-help meeting requirements. These meetings are intended to be self-help group meeting for participants of Treatment Court.

### **Schedule:**

- Meetings are now held virtually on Tuesdays and Thursdays from 3:30p.m. until 4:30p.m. Participants need to attend one meeting per week. Please contact the West Branch Staff for details.

***In an effort to maintain consistency, these general guidelines have been developed by the Clinton County Treatment Court Team. Every attempt will be made to review policy violations on a case by case basis. Please be advised these guidelines are subject to change at the Judge's discretion.***

## INCENTIVES

The Treatment Court Program is designed to provide a positive lifestyle change without the use of alcohol and/or drugs. With this in mind, it is the belief that participants should be rewarded for their positive participation in the program. The committee is responsible for developing these incentives and rewards and determining how these rewards and incentives should be distributed.

Following completion of each phase, the participant shall receive a certificate of completion along with a token of appreciation. As the participant progresses positively through the Treatment Court Program, the committee may choose to reward the participant with additional incentives. These reward and incentives shall be presented during the courtroom session for all participants to experience these benefits of positive treatment and participation.

In order to encourage positive changes and compliance with treatment and supervision the treatment court may use the following incentives:

- Praise/Judicial acknowledgment
- Applause
- Curfew extensions
- Community Service reductions
- Supervision fee reductions
- Early release from progress hearing
- Allowance of day and/or overnight trips
- Phase movement prior to completion of EM
- Certificates of acknowledgement
- Mugs/Pens/Books
- Gift cards
- Interaction w/ facility court dog

Weekly program compliance will result in a participant's name being entered into the fishbowl for monthly random drawing.

Acknowledgements will be made for sobriety time, phase changes, progress in treatment, supervision compliance, active participation with alumni functions and any other noteworthy positive behavioral changes.

## **TERMINATION**

You can be dismissed from Treatment Court for violation of program rules, including but not limited to:

- Repeated/continuing use of alcohol or other drugs
- Repeated/continuing failure to comply with treatment
- Repeated/continuing failure to comply with supervision
- Absconding
- Conviction of new offense

Every effort will be made to meet your treatment/program needs thereby limiting the potential for dismissal from Treatment Court.

If it is recommended that you be dismissed from Treatment Court, you will be informed of this decision by the Treatment Court Judge during a regularly scheduled Status Hearing. If not already in custody, you may be detained in the county jail with the filing of a detainer against you by your supervising probation officer. A petition to revoke your Intermediate Punishment sentence will then be filed with the Court. Appropriate Revocation Hearings will be scheduled. Upon program violations being confirmed at a Revocation Hearing, a new sentence will be imposed. The original sentencing guideline form will be reviewed prior to sentencing for use as a guide in the imposition of a new sentence.

## **COMMUNITY SERVICE REQUIREMENTS**

Treatment Court participants will be required to complete community service as a component of Treatment Court. The following sets forth community service requirements.

1. Participants will be assigned 60 hours of community service upon entry into Treatment Court. Assigned hours must be completed within the first 60 days of entry into PHASE I.
2. After completion of community service, participants who are working less than 20 hours per week will be required to complete 60 hours of community service on a monthly basis.
3. Participants working 20-34 hours per week in part-time employment will be required to complete 10 hours of monthly community service.
4. Participants working full time hours, a minimum of 35 hours per week, will not be required to complete a monthly community service assignment.
5. Community service hours can also be assigned as a sanction for noncompliance with Treatment Court rules.
6. Community service hours will be tracked on time sheets provided by the supervising probation officer.
7. Treatment Court participants will be required to participate in any special/annual community service projects as deemed appropriate by the Treatment Court Judge.

## **POLICY ON MEDICAL MARIJUANA**

The Clinton County Treatment Court, Veterans Court, and Behavioral Health Court does not prohibit the use of medical marijuana for participants. Although permitted, guidelines will be strictly enforced.

1. Participants must receive certifications from qualified physicians and possess a valid identification card issued by the Pennsylvania Department of Health. To meet these requirements, a participant must have an enumerated serious medical condition and has met specified requirements for certification.
2. A participant that is receiving medical marijuana shall schedule and attend an appointment at West Branch Drug and Alcohol and comply with the recommendations from that agency.
3. A Release Of Information will be signed by the participant to obtain necessary information from the participant's medical provider who certified the participant for medical marijuana.
4. The participant will be subject to reasonable inquiries into whether the use of the participants marijuana remains lawful.
5. The participant is subject to sanction and revocation proceedings, where there is reasonable cause to believe that a participant has possessed or used medical marijuana in a manner that has not been made lawful by the Pennsylvania Medical Marijuana Act.
6. Participants often participate in drug and alcohol treatment that is subsidized by Federal funds. The participant is advised that these funds may be compromised due to federal regulation. If compromised, the participant's treatment requirement is not vacated. The participant will assume all costs associated with any recommended treatment provided no other funding is available.

## **CONDITIONS OF DRUG TESTING PROCEDURE:**

All drug tests administered will be observed. Participants are subject to random drug testing 365 days a year. Participants must follow all direction of the administrating officer to ensure drug test validity. Participants must submit a sufficient sample to be tested. If the sample provided is deemed to be insufficient by the Probation Officer and the participant fails to provide an additional sufficient sample, the test will be counted as a positive result. Participants must submit a non-diluted urine sample for testing. Any sample that is diluted cannot be tested and will be counted as a positive drug test result. In order to avoid a dilute sample, participants must follow these guidelines;

- Do not consume excessive amounts of fluid within 2 hours of your test. As a general rule, do not drink more than 32oz within 2 hours of providing a sample. Do not consume any performance enhancing supplements or dietary supplements without prior permission from your Probation Officer.
- Participants may not take any dietary supplements or vitamins that would alter the normal color of urine or cause a positive drug test for any illegal substances.
- Participants are responsible for anything that is put on or in their body. Participants are required to ensure any product they use, are exposed to or consume does not contain any substance that would result in a positive drug test. Additionally, consumption of poppy seeds is prohibited. Failure to adhere to his policy will be counted as a positive drug test result.
- All medications, over the counter or prescription must be PRE-APPROVED by your probation officer prior to use. All prescription medications must be PRE-APPROVED prior to filling the prescription.

## **TREATMENT COURT COMMITTEE RESPONSIBILITIES**

### **JUDGE**

The Treatment Court Judge provides supervision for the program and heads the Treatment Court Committee. The Judge works closely with the treatment team and probation officers.

### **PROBATION OFFICER**

The Probation Officer screens applicants for eligibility and is a member of the Treatment Court Committee. He/she is responsible for the day-to-day activities and actively oversees the intensive supervision of all participants. They shall consult with the Judge if any problems arise between court sessions.

### **WEST BRANCH DRUG/ALCOHOL ABUSE COMMISSION**

The Commission is a member of the Treatment Court Committee and works closely with the Adult Probation Department and treatment providers. The Commission staff will meet with clients and treatment providers as necessary and be responsible for coordinating assessments, referrals, and service plans.

### **DISTRICT ATTORNEY**

The District Attorney provides a recommendation for applicants, serves on the committee, attends court sessions, and is actively involved in ongoing development of the Treatment Court Program.

### **PUBLIC DEFENDER**

The Public Defender attends Treatment Court sessions, serves on the committee, advises participants regarding legal ramifications of proceedings and is actively involved in ongoing program development.

### **TRAINING REQUIREMENTS:**

To promote effective treatment court planning, our treatment court committee will assure continuing education of team members. This will aid in the implementation and ongoing operations to endorse a more successful program. All team members must complete 6 hours of Problem-Solving Court Trainings per year. All new team members are encouraged to review the “new hire training protocol” offered by AOPC in regards to Treatment Court programming.

### **COMMUNITY OUTREACH:**

Treatment Court team members will engage in multiple community outreach activities to build partnerships that will improve awareness and program sustainability. Overall, the committee will do this while ensuring the best interests of the community (including public safety) are considered. Our Treatment Court works closely with local community forums to develop and maintain these resources. The committee will review community outreach efforts and Treatment Court education/awareness plans annually at our Quarterly meetings. Community outreach includes ties to the following organizations:

- Advocates for a Drug Free Tomorrow
- The West Branch Drug and Alcohol Abuse Commission
- The Masonic Lodge No. 199 and other local lodges
- Leadership of Clinton County
- The Sons and Daughters of Italy Loggia Giosue Carducci Lodge 146
- The Rally for Recovery 5K Event
- Lock Haven University
- Local Town Hall Meetings
- The Kiwanis Club

## **CLINTON COUNTY TREATMENT COURT MEMORANDUM OF UNDERSTANDING**

The Court of Common Pleas of Clinton County, the Clinton County District Attorney's Office, the Clinton County Public Defender's Office, the Clinton County Adult Probation Office, and West Branch Drug and Alcohol Abuse Commission agree to collaborate in an effort to address substance abuse and drug related activity in Clinton County, Pennsylvania. For this program to be successful, cooperation must occur within a network of systems in order to facilitate and achieve the mission of the Clinton County Treatment Court. The mission of the Clinton County Treatment Court is to interact in a non-adversarial manner to increase public safety and reduce the costs of drug/alcohol abuse and drug/alcohol related crime on society by identifying and treating non-violent offenders through an innovative, multi-disciplinary approach thus enabling these offenders to make positive lifestyle changes in order to save lives, preserve families and promote community.

In an effort to support a comprehensive program of services to meet the needs of qualified participants, we, the team members commit to the following:

**TREATMENT COURT JUDGE:** The Court of Common Pleas agrees to provide a Judge who will preside over the Treatment Court. The Treatment Court Judge is responsible for adhering to any and all local and statewide Court rules and revisions to the rules with special consideration being given to the promulgation of any community-based rules deemed necessary for the success of the Treatment Court. As a member of the Clinton County Treatment Court Team, the assigned Judge will preside over the court proceedings and monitor appropriate application of disciplines, sanctions and incentives while maintaining the integrity of the court.

**DISTRICT ATTORNEY:** The District Attorney provides a recommendation for applicants, serves on the Treatment Court Team, attends court sessions, and is actively involved in ongoing development of the Treatment Court Program.

**PUBLIC DEFENDER:** The Public Defender will explain the rights that the Defendant will temporarily or permanently relinquish when placed on the Clinton County Treatment Court Program. The Public Defender will explain that because criminal prosecution for admitting to alcohol or other drug use in open court will not be invoked, the participant is encouraged to be truthful with the Judge and treatment staff. The participant will also be informed that they will be expected to speak directly to the Judge, not through an attorney. The Public Defender will review the client's progress in treatment and advocate appropriately when the client is facing sanctions for violations and/or non-compliance, or at the time of disposition should the participant be terminated from the program.

**WEST BRANCH DRUG AND ALCOHOL ABUSE COMMISSION:** West Branch Drug and Alcohol Abuse Commission will serve on the treatment team including but not limited to conducting drug and alcohol assessments, participate in weekly treatment team meetings, make treatment recommendations, provide a weekly group for involved participants and provide drug testing as deemed appropriate. In addition, West Branch will identify and provide a continuum of care for participants, monitor quality and efficacy of assessment and treatment services provided while advocating on behalf of the client and the integrity of the Court. West Branch will seek funding sources, respond to grant applications, provide

fiscal, narrative and statistical information required by the funding source to ensure the ongoing operation of the treatment court and may monitor and implement grant funds.

**ADULT PROBATION OFFICE:** The Clinton County Adult Probation Office will assign probation officers to provide community supervision of treatment court clients. The assigned Probation Officers will participate as an active member of the treatment team including but not limited to attending treatment team meetings and activities. The Probation Officer will conduct field and office visits and observed drug testing as set forth in the policy and procedure manual. The Probation Officer will also enforce standard conditions of probation along with the protocol for phases in the program. The Probation Officer will provide weekly written reports on each client to the treatment at treatment team meetings. The Probation Officer will be responsible for implementing sanctions as directed by the treatment team and/or Judge as well as monitoring the daily compliance of participants.

**TRAINING REQUIREMENTS:** To promote effective treatment court planning, implementation and ongoing operations, our treatment court will assure continuing education of team members. All team members must complete 6 hours of Problem-Solving Court Trainings per year. All new team members are encouraged to review the “new hire training protocol” offered by AOPC in regards to Treatment Court programming.

**AGREEMENT MODIFICATIONS:** Any individual Agency wishing to amend/modify this Agreement will notify the Clinton County Treatment Court of the issue. The Treatment Team will address the issue(s) for the purpose of modifying/amending the issue(s). The issue(s) will be decided by consensus if possible or by simple majority.

**TERMINATION AGREEMENT:** Individual Agencies contemplating termination of their participation in this Agreement shall first notify the Clinton County Treatment Court of their concern. The Treatment Team will meet in an attempt to resolve the problem to ensure continuation in the drug court program. In the event that the issue is unable to be resolved, the individual Agency or Department can exercise its right to terminate this Agreement by notifying all other Agencies in writing, a minimum of 90 days prior to such termination.

**NOTE:** Each treatment team member will be responsible for dissemination of information to their respective agency with regards to confidentiality laws that apply specifically to treatment court participants. Likewise the sharing of information between team members is a vital part of working together. Team members will also be charged with the education of peer professionals on the program and develop community linkages in an attempt to enhance the effectiveness of the program. In creating this partnership and uniting in a single goal of addressing an underlying problem impacting our community in a negative manner, we are pledged to enhancing communication between the courts, treatment agencies and law enforcement. Through this linkage of services, we anticipate wider participations and greater effectiveness in addressing substance abuse offenders involved in the criminal justice system.

**CLIENT GRIEVANCE PROCEDURE**

Should problems arise, or questions occur concerning the conditions of your Treatment Court Program, consult with your Probation Officer, as it is his/her responsibility to help you in the interpretation of the conditions of your Treatment Court Program.

A client grievance procedure has been developed to assist you if you believe you have a legitimate complaint concerning any administrative decision, action, policy, or regulation. If you believe you have a valid complaint concerning your supervision you must attempt to resolve the problem with your Probation Officer. If your attempt to resolve the situation is unsuccessful you should submit a written request to the Chief Probation Officer within ten (10) days for administrative review. Your complaint will be processed within ten (10) days of receipt and the Chief Probation Officer may rule on the complaint with or without the benefit of a formal hearing. The decision of the Chief Probation Officer shall be final.

**ACKNOWLEDGEMENT BY TREATMENT COURT PARTICIPANT**

I hereby acknowledge that I have read, or have had read to me, the foregoing conditions of my Treatment Court Program. I fully understand and agree to comply with them. I fully understand the penalties involved should I violate them in any manner. I understand that I may be required, at any time, to undergo a warrantless search, with reasonable suspicion, of my person, car, or residence by any Probation Officer.

I acknowledge that my Probation/Parole/Intermediate Punishment is expressly conditioned upon my waiving extradition to the Commonwealth of Pennsylvania from any jurisdiction inside or outside the United States.
